

TRANSPORT POLICY

In line with our ongoing commitment to personnel safety, Asia Propel Sdn Bhd (AP) has established the following Transport Policy to govern all work-related travel undertaken by its employees and associated personnel.

AIR TRAVEL

All air travel must be conducted using scheduled commercial airlines or registered chartered aircraft that comply with International Air Transport Association (IATA) regulations.

Personnel must strictly follow all instructions provided by authorized ground or flight crew, including paying full attention to all safety briefings.

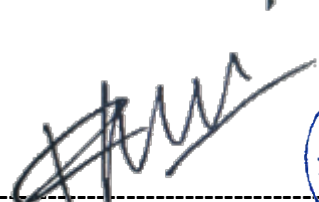

MARINE TRANSPORT

Marine transport shall only be used when no practical alternative is available. In such cases, only vessels that are properly registered to carry passengers and equipped with the required life-saving appliances as per the Safety of Life at Sea (SOLAS) convention may be used.

ROAD TRANSPORT

Only vehicles that meet local regulatory requirements or project-specific standards may be used for APSB business. In addition, the following conditions must be met:

- a) The vehicle and its equipment must be in roadworthy condition and carry valid road tax.
- b) The driver must hold a valid license appropriate for the vehicle type and the vehicle must have valid comprehensive insurance coverage. All occupants must wear seat belts at all times.
- c) All work-related travel must be justified, approved in advance, and include the appropriate mode of transport as part of the travel plan.
